

TAKE THE *POOL* SAFELY PLEDGE!

Take one minute to make sure you & your friends stay safe this year by pledging to *Pool Safely*.

The *Pool Safely* campaign is asking every American to take the *Pool Safely* Pledge this year, to ensure they follow the simple safety steps when they're in and around the water. Adults pledge to follow safety steps such as always watching children when they're in and around the water, to make sure kids learn how to swim, and to ensure pools have safe fencing and drain covers. Kids pledge to follow steps such as never swimming alone and to stay away from drains.

Take the *Pool Safely* Pledge online by visiting www.poolsafely.gov/pledge
